

Dear Arcane World,

I'm writing this to share what I truly desire in this wild, unpredictable realm we call home. Life here is a whirlwind, and I want to embrace every ounce of chaos it offers!

First and foremost, I want to unleash even more chaos! Every corner of this world needs a touch of mayhem, and I'm just the one to deliver it. More explosions, more surprises—let's turn every plan on its head and keep everyone guessing!

I also dream of going on wild adventures with my best pal, Vi. Just think about it: us causing mischief together, blending our chaos with her punches. It'd be epic! I want to explore this world alongside her, tearing through the streets of Zaun and making our mark!

And let's not forget about villains! I crave more colorful characters who thrive in chaos. The world needs more unpredictable foes to spice things up, to keep things interesting.

Moreover, I long for the freedom to create without limits. Whether it's crafting wild gadgets or plotting the next big scheme, I want to break every rule and watch the sparks fly!

Finally, even in all this madness, I hope for a bit of understanding. Sometimes, I just want someone to see beyond the chaos, to understand the heart behind the explosions. A friend who gets me, even when I'm being a little unpredictable, is all I need!

In this vibrant world of Piltover and Zaun, I crave excitement, friendship, and the thrill of living life on the edge! Here's to blowing things up and having a blast together!

With love and chaos,

Jinx
